## Honor with Books

One of the most sincere ways of honoring someone's memory or paying a lasting tribute to mark a special occasion is by making a book donation to the Library in their name through the Friends' Honor with Books program.

With a donation in someone's honor, a request can be made for a specific book, for a particular author, or for material relating to a certain area of interest. Donations can additionally be directed to a particular branch library. Other gifts simply ask that the Library fill in materials where it feels the need is greatest.

Prior to being added to the collection each donation receives a unique Richard Merrick-designed bookplate inscribed with the honoree's name. Notification of the gift can be sent to the honoree or honoree's family upon request.

For more information on how you can acknowledge someone's memory, birthday, anniversary, or other special event, please contact the Friends at 305-375-4776 or [friends@mdpls.org](mailto:friends@mdpls.org).
