Celebrate National Library Week
April 7 - 13, 2019

Has the library helped you learn a new skill, rediscover a love of reading or connect with your family? Does your child look forward to storytime at the library?

Let us know by sharing your library story!
Participating is easy.

1. Pick up a Libraries = Strong Communities card.
2. Tell us what MDPLS means to you and your community.
3. Turn in your card to any library staffer.
4. Look for your card on display and/or on the Library’s Facebook page!
